Occupational Therapist

Description

EQC Occupational Therapy is dedicated to providing exceptional, cost effective, family focused care for our clients. Our goal is to meet client's needs in the nurturing environment of their home, minimizing the impact of the client's condition on the family and respecting the role of the family in the care of the client. To learn more about us visit EQCHealth.com.

We are looking for a reliable and self-motivated individual to join our Occupational Therapy team. If you're a caring individual who prioritizes quality care in the home for medically fragile and technology dependent adults, then we want to work with you!

As a member of the EQC team, the Occupational Therapist will champion the company's overall vision, mission and corporate values, and foster a positive organizational culture and working environment for all contacts at all levels.

Responsibilities

- Provides outstanding client care and appropriate treatment following established clinical procedures and techniques including:
 - Initial evaluations and establishes appropriate long- and short-term measurable goals and plan-of-care.
 - Performs appropriate and standardized assessments according to the client's diagnosis and develops a plan of care accordingly.
 - Follows through with the established plan of care for each client.
 - Provides appropriate occupation based, client centered treatment following established procedures and techniques, and utilizes best practice and evidence-based practice.
 - Maintains the highest level of client confidentiality.
- Provides documentation for all evaluations, treatments, home programs, re-evaluations, re-assessments and discharges in compliance with regulatory, licensing, payer, accrediting and company guidelines.
- Maintains exceptional client, healthcare provider and staff relationships.
- Demonstrates excellent time management skills with the ability to perform multiple tasks simultaneously.
- Coordinates scheduling of clients for evaluations and treatment in coordination with clients and other staff.
- Practices occupational therapy consistent with the AOTA Code of Ethics and Standards of Practice.
- Supervises any COTA in accordance with industry standards.
- Maintains professional license, and malpractice/general liability insurance and provides current copy to owner each year.
- Maintains up to date techniques and trends in occupational therapy.
- Reports all client and staff related issues to the director of OT.
- Maintain compliance under:
 - HIPAA
 - OSHA
 - Medicare and other insurances
 - State and federal regulations
