

SENIOR CARE

Personal and dependable care-giving services for seniors

We care for you as if you were our family

At EQC Home Care we provide your home care needs in the comfort of your home. Our in-home care staff members work with you one-on-one, so you can build a trusting, personal relationship with your caregiver.

ESSENTIAL QUALITY CARE

Personalized senior care services for residents living in Multnomah, Clackamas and Washington Counties.

At Essential Quality Care, our caregivers and medical professionals go through a stringent hiring process to ensure they are qualified and represent our values. Our senior care-giving services help you to maintain a healthy lifestyle and give your family peace of mind that you are being cared for.

We're proud to offer a wide range of both medical support service and non-medical care-giving services that truly help you and your loved ones thrive.

Medical Care-giving Services include:

- Medication management
- Nursing care
- 24-hour care
- Medication administration
- Post injury and surgery care

Non-medical Care-giving Services include:

- Healthy meal planning
- Personal care
- Housekeeping
- Errands
- And much more!

Our process starts with an in-person consultation and then we create a custom plan for your needs, goals, and budget.
